

Full-time students from partner universities can visit IIT Kharagpur on Reciprocal Exchange Programs. You may choose to visit for one to two semesters, or if you prefer a shorter duration for the summer or the winter term. Take courses with our students or pursue research in our labs spread across 19 Departments, 9 Centres and 8 Schools, offering 50 Undergraduate and 67 Graduate programs in Basic Sciences, Engineering, Medical Technology, Humanities, Law and Business.

And while you are here, experience the unique residential campus of IITKgp spread over 2100 acres.

Funded support will range from

- Tuition Waiver
- Free Campus Accommodation & Food
- Medical Insurance
- Travel between Kolkata and Kharagpur
- Cultural Experience
